

KOA Campground receives Lava Pride Award

Cory and Tiffany Unsworth purchased the Cottonwood Family Campground in February 2009, turning it into “**Lava Hot Springs KOA Campground**”. Their goal is to provide a nice place where families can come to have fun. Along with clean, refreshed camping spots along the Portneuf River, KOA is now the home to new restroom/shower facilities, a laundry facility, updated playground, propane fueling services along with 8 small cabins for rent and more to come. They also provide unique gifts in the camp store and piping hot pizza, they even deliver. These services are available to the public as well as the KOA guests.

Cory and Tiffany along with their five children are a welcome addition to Lava. They are providing a beautiful place for families to relax and have fun. Thank you for your dedication to making Lava Hot Springs a great place!

Tiffany and Cory Unsworth
Owners of Lava Hot Springs KOA Campground

The Chamber is accepting nominees for the "Lava Pride" award. This award is to acknowledge those that have put forth extra effort to make things better in Lava. This could be through service, improvements to property and cleanliness of our community. Please send nominations by email to lavachamberinfo@gmail.com or bring to the next Chamber meeting.

The past winners are: Alpaca Inn, South Bannock Historical Center, Lava Elementary School, Town Square, Greystone Manor, State Hot Pools and R & R Vacation Rentals.
