

*Spring brings forth our newest “Lava Pride” Winner,
R & R Vacation Rental*

Rita Anderson, along with her late husband Rob, began their vacation rental business in 1997. Over the years Rita and Rob have transformed many homes throughout Lava. Rob with his craftsmanship skills and Rita with her decorating and gardening talents made a great team. Together they have enhanced our community one home at a time. Rita currently offers two vacation homes; the most recently remodeled Cat’s Meow and the neighboring Cabin. She also takes reservations for the Lyon House vacation rental. Thank you for all your years of hard work and dedication.
