

Lava Pride Shines on the State Hot Pools

The beginning of a new year seems like the perfect opportunity to acknowledge the improvements that have been made to our “World Famous Hot Springs”. New dressing room facilities, a larger, cooler pool and new canopies have been added along with heated sidewalks and a modern entry. Summer brings to life the surrounding beautiful gardens and parks. How fortunate we are to have such an amazing asset.

Thank you to **all** the Staff at the State Foundation for taking such great care of our natural resources.

Destiny Egley and Bridget Losee
Administrative Assistants

Past “Lava Pride” winners:
Alpaca Inn
South Bannock Historical Center
Lava Elementary School
Town Square
Greystone Manor

The Chamber is **accepting nominees for the "Lava Pride" award**. This award is to acknowledge those that have put forth extra effort to make things better in Lava. This could be through service, improvements to property and cleanliness of our community. Please send nominations by email to lavachamberinfo@gmail.com or bring to the next Chamber meeting,
